Covid Rules:

- Please do not enter the building if you have Covid symptoms
- Please maintain masking and social distancing whenever possible (especially in the gym)
 - Players do not need to mask during competition
- As much as possible, sit together with your team, when not playing
- Refrain from handshakes
 - To start the match players will just line up on the back line, then enter the court when directed
- Teams will not switch sides
 - Matches will be best of two (triple ball rules) in round robin
 - If time allows, a 15 point third set of regular volleyball can take place (just for fun)
 - Playoffs will be best of three sets (all triple ball), with third set going to 15
- Parents, we are technically allowed to have volunteer drivers but because we are all volunteer drivers that exceeds our maximum. There will be an opportunity to watch your child play at the Spirit Centre (all rules for that facility must be followed) at the regional tournament. We are just happy the kids get the opportunity to play. If you have any questions please email me or phone the school to speak to Mrs. Drake. Thank you for your support.
