Grade 2 Supply List 2022-23

The new school year begins for Grade 2 on Tuesday, August 30, 2022.

In order to standardize the supplies that we use in Grade 2, **we ask parents to pay \$30 and the school will purchase all the classroom supplies for your Grade 2 child.** By having students with the exact same supplies there is less distraction in the classroom and we can be sure that everything they need is always available. This one-time payment will include: Scribblers, Duotangs, Pencils, Erasers, Glue Sticks, White Glue, Crayola Twistables (narrow and wide), Crayola Washable Markers, Expo Markers, Scrap Books, Scissors, Pencil boxes, etc.

(If you choose to purchase these supplies on your own, *please contact the school, before August 30th,* for a list showing exact amounts and exact brand-names of supplies to be purchased).

Items for Parents to Provide:

- 1 box of Kleenex tissue
- 2 reusable grocery bags -labeled with name
- 1 water bottle -labeled with name
- 1 complete change of clothes (to be kept in locker in case of accidents)
- 1 pair of indoor shoes (with non-marking sole)
- 1 headset of good quality-with cord- for using with computers

Payment of the \$30 Classroom Supply fee can be made in September 2022.
