

Inviting All PNCS Students To Take Part In The

# Pembina North Community School Science Expo

**Friday, February 24, 2023**

Set up: 8:00 am – 12:00 pm

Viewing 1:00 pm - 2:30 pm

Share your knowledge of a scientific concept in a display, demonstration, report or science experiment! Your only limitation is your imagination!

**The PNCS Expo is open to students in grades 1-9.**

If you need help choosing a project or researching ideas talk to Mr. McCann and set up a time at recess or lunch when he can work with you.

Students wanting to take part in the Westlock and District Science Fair need to follow science fair guidelines.

**SCIENCE**  
is awesome!

## PNCS Science Expo Parent Information Letter

Dear Parents;

Your child has expressed interest in taking part in the PNCS Science Expo on Friday, February 24, 2023. He/she will choose some type of interesting scientific concept and develop it to share at the Expo. Your child's project may be shared in the form of a research paper or poster, a demonstration or innovation, a display or a "traditional science fair project."

Science Expo projects are intended as projects developed and prepared at home. Students may work individually or in pairs. I am willing to assist with research and ideas during some recesses but the biggest part of the project is expected to be worked on at home.

Please signed and return this form to myself, Mr. McCann, by **Thursday, February 15** in order for your child to be registered for the PNCS Expo and have a table reserved for them on the day. If students are working in pairs, only one parent needs to complete the form.

Sincerely, Nicholas McCann (Lead Teacher)

**Westlock and District Science Fair:** Any student wanting to take part in the Westlock and District Science Fair on March 8, 2023 at the Westlock Community Hall will need to follow the guidelines set out for Science Fair projects. Information on guidelines have been sent home with students. I, Mr. McCann, am responsible for registering PNCS students for this event, however parents are responsible for taking their child to the event. Check below if you wish to have me register your child for this event:

\_\_\_\_\_ Please register my child for the Westlock and District Science Fair on March 8, 2023  
-----

**Edmonton Regional Science Fair:** Entry into the Edmonton Regional Science Fair is self-directed (parents complete the entry process and attend the event with their child). The Edmonton Regional Science Fair is being held on March 11 & 12, 2023 at the NAIT Campus in Edmonton. The registration deadline is Friday, February 24, 2023. Full information including on-line registration forms can be found at <http://ersf.ca>
