Principal: Mr. Daryl Chattargoon daryl.chattargoon@pembinahills.ca

For parents of students starting Junior High at PNCS:

Purchase of Chromebooks

Our teaching and learning becomes much more flexible and engaging if every student has access to digital tools like Chromebooks and the Internet. These tools are integrated daily into student learning at PNCS.

In a continued effort to provide students with access to reliable computing technology, our school is making a Chromebook available for every new junior high student at a discounted price for the 2024-25 school year.

The cost of each Chromebook is \$290. **Our school is offering students the chance to purchase a Chromebook at a discounted price of \$190.** Once purchased, the Chromebook becomes the property and responsibility of the student. Junior High students only qualify for the discounted price one time throughout their junior high years.

Each Junior High classroom is also equipped with a limited number of Chromebooks for student use. If you choose not to purchase a Chromebook for your child they will still have access to one to use during the school day, however they will not be permitted to bring the school-owned Chromebook home.

Payment for the Chromebook can be made at the beginning of the 2024-25 school year. Payment must be received before the Chromebook will be distributed to the student.

Please contact me at the school if you have any questions or concerns.

Sincerely,

Daryl Chattargoon
Principal
