In support of the Dapp Outdoor Rink

We are so lucky to have a skating rink that our school can use all winter long!

The Dapp Outdoor Rink is owned and maintained by the Dapp Community Council. They pay all the bills, maintain the rink property and flood the rink 2-3 times/week all season long. Our students are the largest user of the rink and we would love to continue to support Dapp Community Council. If you're wondering how much it costs to keep the rink up and running, here is the information from last year. Gas \$705.16, Power \$1437.17 & Insurance \$2366.46 = **\$4508.79** NOT including other maintenance and repair costs.

So kids, it's time to lace up those skates to do laps, skate with friends and raise some money to give back to the Dapp Community Council.

HERE'S THE PLAN:

1. One pledge sheet per student. Ask friends, family and neighbors to donate. Write each donor's name and how much they have donated on the pledge sheet. **Donors who give \$150.00 or more will get a tax receipt** (include mailing address on pledge sheet).
2. Turn in your pledge sheets and the money you've collected to the school office by the morning of February 10th. **(Cheques to PNCS Fundraising Association)**
3. Bring your skates and helmet to school on February 10th (or you can borrow from the school).
4. 2 parent volunteers per class for elementary school kids (in addition to teaching staff) are needed to tie skates and skate with the kids. Text @ Michelle 780-307-3373 if you can help. Class skating schedule to follow.

The top earning class will get a **SNAKE CAKE!**

Special prizes will be awarded to the top individual student fundraiser/s in each class
