Parent volunteers for field trips need to have their Volunteer Registration completed!

Volunteer Registration

Pembina Hills School Division requires all school volunteers to complete the Volunteer Registration process.

Step 1

Submit to the school office a completed Volunteer Registration form. A printable version of the form is available on the School Division webpage, or you can request one from the school office.

Step 2

Submit to the school office a current Criminal Record Check. These are available through the Westlock RCMP, however you must have a letter from the school saying why you need a CRC.

Step 3

Submit to the school office a Child Intervention Check. This is available through Alberta Children's Services. To request the online form email cs.ircnorth@gov.ab.ca.

Step 4

Once all 3 items are received by the school office the Principal will review the Volunteer Registration. If all the School Division requirements are met, the registration will be approved.

Approved

The approved Volunteer Registration will be in effect for the duration of time that the volunteer has children at our school. It does not need to be done each year. If, however, there is a change to the Criminal Record Check or Child Intervention Check, updated copies must be provided to the school and the registration will be re-evaluated for approval by the Principal.

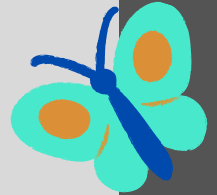

Teachers will send home full details for all of these trips. Please refer to these handouts for information on what to pack for the day, bus departure and return times, and all the other trip details.

Dear PNCS Students and Families,

As we wrap up the school year, my first as principal at PNCS, I want to express how grateful I am to belong to such a strong and deeply connected school community. The support, commitment, and care shown by our staff, students, families, and community members have been truly remarkable.

I am incredibly proud of the relationships our staff have built with students and the work they do each day to support learning, growth, and well-being. At PNCS, we believe in holding high expectations for all students, both in their academic achievement and in the opportunities they are provided throughout the year. Whether in the classroom, on the stage, on the field, or through the many experiences offered beyond our walls, our goal is to help every student discover their strengths, challenge themselves, and reach their full potential. I would also like to thank our staff for their dedication, flexibility, and commitment throughout a year that brought both opportunities and change.

I have been honoured to experience and help carry forward the traditions that make PNCS such a special place, including our PHSD Junior High Soccer Tournament in Fawcett and our annual Christmas Dinner in Jarvie. These events, along with so many others, reflect the strong sense of community, pride, and tradition that exists within our school. At the same time, I am excited about the opportunities ahead as we continue to build on our strengths and create meaningful experiences for our students.

To our families, thank you for your partnership, support, and trust throughout the year. The success of our students is made possible through the strong connection between home and school, and we are grateful for the role you play in our learning community.

For those moving on, thank you for being part of our journey this year. For those returning, I look forward to welcoming you back in August. Until then, I wish you a safe, restful, and enjoyable summer filled with family, friends, and opportunities to make lasting memories.

Sincerely, Robert Weiss, Principal
