Grade 3 Supply List 2026-27

The new school year begins for Grade 3 on Monday, August 31, 2026.

In order to standardize the supplies that we use in Grade 3, **we ask parents to pay \$70 and the school will purchase all the classroom supplies for your Grade 3 child.** By having students with the exact same supplies there is less distraction in the classroom and we can be sure that everything they need is always available.

Items for Parents to Provide:

- 1 water bottle - labeled with name
- 1 pair of indoor shoes (with non-marking sole)
- 1 set of headphones for computer use (with cord, in a labeled Ziploc bag)
- 1 complete change of clothes to be kept in locker (as a back-up)
- 2 boxes of Kleenex

Optional Supplies:

- 2 containers of Lysol wipes
- 1 small package of plastic spoons or forks

Payment of the \$70 Classroom Supply fee can be made in September 2026.

Please note that the School Division will be charging a \$20 Technology Fee for the 2026-27 school year. This amount will be due in September 2026.
