Rules:

- Court 1 is closest to the entrance to the field house and court 4 is the farthest east
- Up to 3 serves and then 2 tosses.
- Coaches are in charge of reffing and calling lines on their side (we MAY have junior high volunteers to ref).
- Toss to your own team
- 25 point sets (2 sets) (Cap at 27) or if you reach the end of your time slot
- Very lenient on carries as long as they are overhead setting
- Set is allowed off a serve
- Off the toss, it must be a forearm pass
- Coaches are expected to have them at least try for 2 or preferably 3 hits, but the rally will continue if there is one hit on a served ball
- On a tossed ball there must be a minimum of 2 hits. If the ball goes over and is going to land in on the first hit, it is a retoss. 1 retoss is allowed and then a loss of point.
- Overhand is OK on any serve as long is it is behind the serve line
- Severs can come as close as they need, but overhand serves must be done from the serve line
